Your curtain will be delivered to your door within 14 days of ordering, at a cost of \$140 (inc. GST) each.

Logo Curtains Australia, located in Belmont offer commercial grade, high quality, plastic strip curtains, perfect for keeping the flies out of your business this summer.

Quick and easy to put up by yourself

Our plastic strip curtains are easy to hang, in fact you can do it yourself in no time! All you need is a drill, screwdriver and a ladder to fix the curtain to the top of your door.

Made to commercial standards

Our curtains are made to commercial standards, using 1mm thick PVC sheeting. They are UV stabilised and attached to a strong corrosion resistant frame. The standard size fits most doorways. If your entrance is smaller than 920mm you can easily reduce the width in 76mm increments by removing strips.

Can be branded with your logo

For an additional fee, we can print your business logo, or any graphic you like, directly onto the curtain! What a great way to increase awareness of your brand or business name! **Call (08) 9475 3390 for a quote on having your logo printed on a curtain.**

More than one use!

As well as helping to reduce the number of flies entering your premises, the curtains can also be used as a room divider, or as a barrier between different areas of your business.

Easy to order!
